When submitting bylaws always submit two (2) printed copies OR an electronic copy.

Your PTA should have a standing committee that reviews the bylaws every year to make sure they are still applicable to your unit. The committee should update the required state (#) items each year as needed. Amendments to required items, which are made at the State PTA Conventions, do not require any action by your PTA, but do need to be incorporated into your bylaws immediately.

The latest "Approved Bylaws Model" can be accessed through the Iowa PTA website at www.iowapta.org or go directly to the following link:
